Dear Mr. Harris:

In answer to your letter of July 27, we wish to point out to you that your opening statement is not correct. Our records show that we have been contributing continuously through December 1963, without missing once in the past fifteen years. Our last contribution was made to you on December 11, 1963 for \$50.

We again plan to send you a check about the same time in 1964.

Much success and a very Happy New Year.

Very truly yours,
