

PRESIDENT'S MESSAGE FOR CINCINNATI HEBREW DAY SCHOOL AND  
STATE OF ISRAEL BONDS DINNER - 1979

It is with great pleasure that I welcome you to our annual dinner.

Cincinnati Hebrew Day School has continued its tradition of providing the finest possible secular and Jewish studies programs to the children of our community, and it is your support that has made this possible.

One of our primary goals is to instill in our children a love of Torah and Israel, with an understanding of the responsibilities inherent in such a commitment. What could be more fitting than to pay tribute, together with the State of Israel Bonds, to our wonderful friend Al Harris, the "builder" of our school!

On behalf of the Board of Trustees of the Cincinnati Hebrew Day School, I would like to congratulate our honoree and his entire family, and offer our appreciation to them and all our friends who join with us this evening.

Sincerely,

Ronald G. Gottlieb, President  
Cincinnati Hebrew Day School  
Board of Trustees

**PRINCIPALS' MESSAGE**

This has been a year of milestones for the Jewish people. It is the "Year of Peace" for Israel and the "Year of Freedom" for many of our Russian brethren. We pray the peace will be true and lasting. We entreat the Al-mighty that the exodus from oppression behind the iron curtain will continue unabated.

Cincinnati Hebrew Day School is playing a most important role in these special times. Our students share with our brothers and sisters in Israel the love of Torah, the love of Eretz Yisroel and the love of the children of Israel. We have learned that the glorious teachings of our holy Torah, the traditions of our people, and their ties to the Al-mighty are the forces which provide the moral fiber of our collective being.

Our school has been a major factor in the integration of recently arrived Russian immigrants. But more than merely providing them with a language and introduction to American culture, we are giving them what they could never have before--exposure to our age old Jewish traditions and heritage. We are very proud of these accomplishments and especially gratified by the overwhelming successes.

It is most fitting that our school and State of Israel Bonds join in honoring Mr. Al Harris, who has stood at the forefront of Jewish causes in Cincinnati, in Israel, and wherever there has been a need. Al literally built Cincinnati Hebrew Day School and has been instrumental in its growth, enabling it to provide quality education in both Hebrew and General studies.

We salute the State of Israel and Cincinnati Hebrew Day School for their achievements of the past and pray for their continued strength in the future.

Sincerely yours,

Rabbi Israel Janowski  
Associate Principal  
Hebrew Studies

Rabbi Stanley Peerless  
Associate Principal  
General Studies
