

OSKAR SCHINDLER MEDAL BY MARIKA SOMOGYI

The obverse of the large 4" Oskar Schindler medal features a handsome high relief portrait of the Roman-Catholic German industrialist whose story became famous as "Schindler's List." The Schindler medal was created exclusively for the Magnes Museum by award-winning artist Marika Somogyi, who herself was a young Holocaust survivor.

This dramatic medalllic sculpture uses imagery inspired by the miraculous exodus of the ancient Israelites from bondage in Egypt ... when G-d "brought them forth with a mighty hand and an outstretched arm." So too, this medal's reverse shows a mighty hand and outstretched arm separating masses of people from chaos, to symbolize the rescue by Oskar Schindler of 1,300 Jews from almost certain extermination.

No more than 250 Oskar Schindler commemorative medals will each be cast in 2 pounds of bronze using the ancient lost-wax method. Every piece is hand finished by Ms. Somogyi, who then personally engraves her initials and the serial number on the edge. Schindler medals are available on a first come - first served basis for a \$150 contribution (1/3 tax-deductible) exclusively from the non-profit Magnes Museum.

*Rec'd  
1996*

MAIL ORDER FORM FOR MARIKA SOMOGYI'S "VICTORY" & "SCHINDLER" MEDALS TO:  
Magnes Museum, c/o Mel Wacks, 5189 Jeffdale Ave., Woodland Hills, CA 91364
