Mr. and Mrs. Max Appel announce that there will be a party December 31. For reservations and further details, please call the Appels 761-8729.

We want to thank Dr. Petuchowski for conducting our first Oneg Shabbat of the winter season. This evening was an outstanding event for a great many of our members.

We are happy to announce that Dr. Petuchowski has given us January 17 as the date for our next Oneg Shabbat. He will speak to us on the requested topic: "Is G-d dead?"

Please keep March 2, 1969 for our Annual Dinner which will be outstanding. It marks thirty years of existence of our congregation.

Make every effort to support Mrs. Thelma Schottenfels, who has so graciously offered her services again for putting a yearbook together in honor of this memorable event. Buy more ads than ever!

On sale in our office is the book "Ever Since Sinai" second edition revised - by Dr. Petuchowski for \$1.95 (Paper back).

Machsorim for all holidays with English translation are for sale at our office and Gift Shop.

Our sincere thanks to Mr. and Mrs. Paul Heiman for the new curtains in our synagogue partitioning off the Synagogue and beautifying the stage.
