CHANUKAH MESSAGE By Rabbi Aaron A. Rabenstein

The Chanukah story has its climax in the small town of Modin, a small hamlet in the hills away from Jerusalem. There, we are told, Mattathais took a sword and inflicted the fatal stab against idolatry and immorality, the basis of the Hellenistic culture. This action was enough to ignite the flame of victory over the Hellenists and their culture.

Mattathais was not a young rebel but an old sage who felt the moment had come to defend G-d and his Torah. It was this priest who gave the younger men, the Maccabees the impetus and courage to fight the alien culture.

It is not always the young who lead the way for causes but often the elders blaze the path for our youth by their positive actions. Probably it is when there is a combination of youthful exuberance and elderly reason when a certain purpose becomes resolved. This is why Mattathais and his sons were successful in their actions.

This may be the message which the episode in our history may wish to teach us, that youth and age must work together to successfully achieve optimum goals in Judaism. One will fail without the other but one will succeed *with* the other.

May our Chanukah light burn brightly throughout the year - Good Chanukah!

"Chanukah Greetings"
Paul Heiman

Chanukah is one of the gayest Jewish holidays, for it symbolizes the victory of the few over the many, and of the weak over the strong. Nes Gadol Hayah Sham - "A Great Miracle Happened There."

As we pray again for this miracle in Israel, may your Chanukah be as bright as the lights you kindle in observance of this meaningful holiday. Shalom!

CHANUKAH GREETINGS FROM OUR SISTERHOOD PRESIDENT

Mrs. E. Kahn

Best Wishes for a Happy Chanukah to the entire New Hope Family.

BREAKFAST MINYAN

The following officers were recently elected at the annual Breakfast Minyan Elections: President, Becky Buchheim; Vice President, Ronald Zaguli; Secretary, Monica Rohrbach; Treasurer, Linda Bamberger.

The Breakfast Minyannaires meet bi-weekly. They collect dues and donate their money to various charities.

TORAH FUND

In May our congregation began a Torah Fund towards the purchase of a Sefer Torah. To date a large sum of money has been collected towards this goal. This was made possible through your generous contributions in our Yizkor Book and through individual donations. We would like to thank you for your great interest in this project.

At present we are negotiating for the purchase of a Sefer Torah, but additional contributions will be necessary. We hope you will continue your support towards this worthy cause. For information please contact Rabbi Aaron A. Rabenstein - 761-8851.
