**FACTS FOR PASSOVER FROM
HANDBOOK PREPARED BY
RABBI JACOB J. HECHT**

SELLING CHOMETZ

PURPOSE: The Torah being concerned about the economic welfare of the Jewish people, has provided for one contingency where, due to the laws of Passover, a loss might result through the destruction of large quantities of Chometz, by allowing us to sell it to a non-Jew. Inasmuch as all dishes used during the year contain Chometz, every household is vitally concerned.

METHOD: By the legal transfer of Chometz property to a non-Jew, we are no longer the owners of it, and, therefore, do not carry any responsibility for it.

The legal intricacies covering such a transfer of property are many and involved, and only an orthodox Rabbi should be entrusted with its execution, in the same manner in which we entrust our secular legal affairs to a trained and bonafide lawyer.

**KOSHERING FOR PESACH
DISHES AND UTENSILS**

Since we are not permitted to have any trace of Chometz during Passover, special attention must be given to dishes and utensils. It is best to use dishes and utensils especially set aside for use on Passover. However, if necessary some utensils used during the year may also be used on Passover, providing they have first been properly Koshered. (For details consult your Rabbi.)

No Chometz is to be eaten after 9:50 A.M., Friday morning, April 9th. Latest possible time for the selling of Chometz and the burning of Chometz is 11 A.M., Friday, April 9th.
Passover is over on Saturday night, April 17th at 8 P.M.
