**RABBI ELIEZER SILVER, z"tl**

*"If all the sages of Israel were in one scale of the balance  
and Eliezer ben Horkenos in the other, he would outweigh  
them all." (Avoth Chapter II, Mishnah 12)*

This was said by Rabbi Yochanan ben Zakkai of his student. How apropos is this statement, in our time, in our city, of our dearly beloved and revered Rabbi Eliezer Silver, of blessed memory.
