

*We dedicate this Sanctuary*

That we may find inspiration here to work for the rebuilding of Zion, as a home for the homeless, and a center from which shall go forth God's law.

*We dedicate this Bet Elohim, this House of God*

That we may gain the vision and the determination to do justice, and love mercy, to work together with our fellowmen, for a world of freedom, peace and equality of opportunity for all people everywhere.

*We dedicate this, our Adath Israel Synagogue to the glory of God, the blessing of Judaism, the well-being of our community, our country, and our fellowmen.*
