## KADDISH

### RABBI

In this hour of tender recollection we lovingly call to mind all our beloved departed.  
We name in our hearts especially those whose lives were bound up with our Con-  
gregation through the years.

We give thanks for the service they have rendered. Their spirit hovers over this  
new Sanctuary as a benediction, and we pray that the worship offered here and the  
work of our hands may be worthy of our beloved departed who have helped us  
to make this dream come true. We link their names to the names of all our dear  
ones in whose memory this Congregation now recites the Kaddish prayer.
