

Dear Ladies;

To the Jewish War Veterans Auxiliary Post 438, want to give my best wishes and congratulations on this gala occasion the third Annual Donor Dinner. This is one of the few times that the Men's Post can publicly thank you for all your great support on all of our affairs, your truly humanitarian project of caring for all the soldiers and patients at the Ft. Thomas Hospital and Longview. Your organization is a credit to the National Jewish War Veterans and is so known through out our City.

We of the Parent Post know that we can only be as strong as our support that we receive from our community, and the Auxiliary is our best emissary in selling J.W.V. to our people. May the efforts of all the members be realized some time in the near future of having one of the most progressive Post and Auxiliary in the State and maybe Country.

Good Luck and continued success,

Fred Raboff  
Commander Post 438
