

# Hillel Begins Drive For Membership

Officers Announced for Year;  
First Meeting Set for Oct. 5

Officers of the Hillel Foundation announced recently that the first term membership drive and plans for the entire year are proceeding very successfully.

Officers of Hillel for this year are Norma Siegel, president; Dave Singer, vice-president; Sam Schapiro, treasurer; Helen Hauser, recording secretary; Corinne Wolf, corresponding secretary.

Over-all chairman for all Hillel activities this year are Herb Bronstein, Cultural Chairman; Hillel Gamoran, Religious Chairman; Amiel Wohl, Social Chairman. Under these three general categories all Hillel committees will work.

Mike Heller, senior at the Hebrew Union College and winner of two prizes for essays written in the field of Jewish scholarship, is Hillel advisor for the coming year. He succeeds Maurice Davis at present a rabbi in Cleveland, Ohio.

Norma Siegel, Corinne Wolf, Herb Bronstein, and Lester Harris are the Hillel representatives to the B'nai Brith Advisory Board.

The first Hillel meeting of the year is scheduled for October 5, and will be held in the Student Union. At that time the organi-

zation of Hillel and how it helps Jewish students on campus will be interestingly demonstrated to members. All students are invited to come.

The traditional first dance of the year is scheduled tentatively for Saturday, Oct. 15.

Hillel will initiate its religious activities with a service to be held October 5 on the first eve of Succoth at the Hebrew Union College Chapel, Oct. 7. Hillel will also be privileged to use the Hebrew Union College sukkah.

Hillel is planning, too, a series of prominent speakers of the Jewish world for its regular monthly meetings. In preparation now is a brochure to be used as a Hillel manual which will be distributed to Jewish students at UC.

Regular Hillel study groups and discussion groups will be announced in the near future.

Hillel Fellowship at the University of Cincinnati will give a dance tomorrow at the home of Emmanuel Marks, 3822 Barker Road.
