

TO ALL PASSENGERS:

The B'nai B'rith Hillel Counselorship at the University of Cincinnati is operated daily by you and for you. Our track is routed along your religious, cultural and social needs and follows the old "Success Trail". (Last year we won the award for the best Jewish youth group in the city.) We are your "home away from home" and our motto is always: "Better service to you". We have space reserved for you, so pick up your reservations now.

Our depot is located temporarily at 139 University Street, upstairs in the AEPi house.
