

CAMPUS ORGANIZATION COMMITTEE

The committee should enlist all campus organizations to cooperate in REW. To this and contact with the various groups needs to be established and maintained. These contacts will prove very valuable in the efforts of other committees.

Special meetings and bull sessions could be planned for the Greeks, Independents, Dormitories, Professional Clubs, and Societies, etc., they ought to be well informed about the activities of REW and urged to attend.

Make definite arrangements for discussion leaders with the speaker's committee, and have the group know something about the speaker.

Work through the IPC, PanHell., etc., in promoting REW activities.

In planning a bull session, the group ought to agree to the choice of moderator before meeting time.
