

GREEK NIGHT COMMITTEE

Use Thursday to promote an All Greek Assembly either in the form of a banquet as favored by the Pan-Hel or as an assembly in Wilson Auditorium as preferred by the I.P.C.

In any arrangement a top notch speaker should be presented. A musical frame shall beautify the presentation.

Make careful choice of the topic and get the Greeks to endorse it wholeheartedly

Mr. Alderman, Assistant Dean of Men, the Dean of Women, the Pan Hel and the I.P.C. have to work very closely on this project.
