Dear Hillel-ite,

Welcome back to Campus life again----this is the last lap of the '52-'53 year; your HALLEL HOUSE hopes it has been (and will end up) as a good one.

The Executive Committee of Hillel is looking forward to next year's Hillel program of activities. At the next Exec meeting, April 29, at 4:30, there will be the first of several planning sessions. EVERYONE IS INVITED TO ATTEND THE EXEC MEETINGS....

The second session will be held as an OPEN BRUNCH, at 12:30 noon on Sunday, May 3. Come for a bagel-and-lox luncheon and assist in the planning of the schedule.

The B'nai B'rith Young Women's group will conduct Shabbat Services at the HALLEL HOUSE the coming Friday night at 8:15----Friday, April 24. An Oneg Shabbat will follow, of course. Dr. Robert Kirsner, Professor in the U.C. Romance Languages Department (and advisor both to the B.B.Y.W. and to Hillel) will be the speaker of the evening. Those of Hillel who missed Dr. Kirsner when he spoke to us earlier this year will welcome this chance to hear him; those who enjoyed him before will be glad to sit "at the feet" of this fascinating lecturer again.

SUNDAY, April 26, at 2:30, the workers in the 1953 JEWISH WELFARE FUND campaign will have a KICK-OFF brunch-meeting at HALLEL HOUSE. Have you been contacted to help this year's drive? If you want to assist in this wonderful project, C'MON ALONG!
