

August 28, 1956

Dear student:

In less than a month, you'll be starting your 1956-'57 classes. There will be lots of studying to do, but there will also be time for social life and fun.

This year, we have an entirely new type of Hillel program. We think it is slightly sensational and one that you will really enjoy. The aim of the Executive Board, composed of 5 officers and 11 chairmen, is to plan activities that will appeal to the varied interests of students on campus. Therefore we have planned a schedule including such topics as morals and politics.

We hope to make Hillel an outstanding campus activity for '56-'57 and thereafter. You can help build part of a tremendous foundation for the future.

Our first affair will be a picnic-buffet at the Hillel House on 320 Straight St., at 3 p.m. on Sunday, September 16. You'll be able to meet old acquaintances and make new ones, at the same time. Next week, you will receive a reservation card about this.

Thursday, September 20 is the first day of succas. We will be putting up our succa in the back yard of the Hillel House. Come on over then for a "neat" afternoon.

On Wednesday, September 26, we are featuring a mixer in honor of our freshmen students. This will follow the Assembly in Wilson Auditorium, in the evening.

There will be a Hillel membership desk in the Student Union Building, on weekdays, Monday, September 17 through Friday, September 21 and Monday September 24 through Friday, September 28. The time has been set: 9:00 a.m. - 2:00 p.m. on all days. You can come and "kibitz" socialize and pay your dues at the same time.

Our first service will be Friday, September 28, with Mr. Bernard Rosenberg, of our adult Hillel Advisory Board, speaking on "Goodbye God, I'm Off to College".

The Hillel House has numerous recreational facilities such as ping pong, pool, television, records, a library, and ice cold cokes. Plan to use them for your pleasure. The house is open daily, except Saturday, 10:00 a.m. - 10:00 p.m.

The Executive Board invites you to participate in all of Hillel's activities. They have been planned especially for you.

See you on the 16th at the picnic buffet.
