TO: Presidents and Directors of Jewish Organizations

FROM: Alice Abrams, Assistant Director

DATE: August 15, 1984

Every year, the Jewish Community Relations Council, with the cooperation of each of you, prepares a Directory of Jewish Organizations. Enclosed is the 1985 edition. We hope you find this publication useful.

We are also enclosing a card for your use in helping us keep the Directory up-to-date. When a new President is elected, or if you would like your organization's listing changed in any way, please fill out the card and return it to the JCRC office. If you have any corrections or suggestions for improving the Directory, or would like an additional copy, please call me at 241-5620.
