Dear Fellow Member:

At the November 4th congregational meeting, the membership voted unanimously in favor of making a definitive offer to an outstanding candidate to be our part-time Rabbi.

I am delighted to report that the offer has been accepted and Rabbi Abraham Schnall will be with us early next year under a two year contract. He is well educated, dynamic and personable-- well able to meet our spiritual needs. Rabbi Schnall's enthusiasm will be an asset to our Jewish community.

Several members are so convinced of the positive impact he will have on our congregation, that they have each already pledged \$1000 for each of the next two years. However, the congregation must still assume an obligation of \$7000 annually.

The congregation voted to ask every member for voluntary contributions rather than to impose an increase in dues. Each member should try to pledge a minimum contribution of \$200 a year, for the next two years, to the North Avondale Synagogue Rabbinical Fund. We hope that you will respond generously.

Rabbi Schnall, living in our neighborhood, can help make this area once again a center of Jewish learning and tradition, and ensure the continuity of our Orthodox Synagogue.

Please send your check or pledge to Mr. Dan Glicksberg.
