Ah!

Mr. Albert Lucas, Secy,
Joint Distribution Com.
20 Exchange Pl.,
New York City.

Dear Sir:-

In answer to your letter of the 8th inst., which was received by me today, I wish to state that our Committee is not one that has been built lately, and does not need any introductions.

From the very day our Institution came into existence, the most important of its duties, was to supply MATZOES for the Jews in Palestine, for Passover.

Our appeals are duplicates of the original appeals that we receive from Jerusalem.

Enclosed, you will find here the original appeals and reports about this institution, and we hope that this will clear every doubt you have about this Committee.

Respectfully yours,

CENTRAL COMMITTEE KNESSETH ISRAEL.

M. Rivlin
Secretary.
