

צדיקים אפילו במיתחם נקראים חיים

To our loved ones, who are no longer with us, but the image of whose personalities is ever before us, this space is dedicated. Although they are gone to another realm, like the rays that linger behind after the sun has set, the recollection of their deeds continues to illumine our lives, and is in keeping with the saying of our Sages, "The righteous even in death are considered alive."
