

President's Message

For more than 40 years, I have been privileged to be associated with Congregation Agudas Israel. We have come a long way from our little Shul in the West End.

How thankful I am to God for the honor he has given me to be able to serve Him by serving the Shul and for allowing me to witness this joyous and historic occasion, the dedication of our beautiful new Sanctuary. This building represents the sweat and toil of the many who pledged "we will not give sleep nor slumber to our eyes until we build a dwelling place for the Mighty One of Jacob."

I have completed 15 successive years as your President and we have had our ups and downs but when I see our accomplishments I realize how fortunate I have been, for I was blessed with good fellow officers and workers.

To all of our members and officers an honest "Yashar Koach." Thank you for your support.

Isidore Liebowitz, President

Chairman's Message

The Members of the Building Committee express their thanks for the faith and confidence extended to them by the membership in entrusting to them the planning of our new Sanctuary.

The Committee was selected for their knowledge and experience in the various fields of construction. In planning and consulting with the designer and builder they were ever mindful that our new Sanctuary must be inspiring but not ostentatious, awesome but not over-bearing.

The comments of all who have seen our Shul testifies to the fact that this goal has been attained.

I take this opportunity to thank all who worked tirelessly and diligently, the Building Committee, the Synagogue Board, the entire membership, and the General Contractors and all the sub-contractors.

Last but not least, I take this opportunity to thank our Rabbi, without whose selfless dedication we could not have accomplished all that we did.

As Chairman of the Building Committee, I feel honored, and privileged, to have had a part in this great adventure in Judaism.

Nathan Mayers, Building Chairman

Todah Rabbah-Many Thanks!

It gives me great pleasure to present this Souvenir Dedication Journal to you.

Much work has gone into it to make it a keepsake of this auspicious occasion. I hope that it meets with your approval.

To the donors of ads, I say thanks for your help, for without your support, it would not have been a success.

Thanks to all the members of my staff who worked so diligently and effectively to make this book possible.

Lastly, I want to thank the Board for affording me the opportunity to help my Synagogue in some small way.
