

The image displays four distinct vertical decorative ornaments, each with a unique design. The first ornament on the left features a central column with a crown at the top and a harp-like motif in the middle, flanked by ornate scrollwork. The second ornament is a simple, elegant design with a central candle-like element and symmetrical scrollwork. The third ornament is more complex, featuring a central bell-like motif surrounded by floral and leaf patterns. The fourth ornament on the right is highly ornate, with a central harp-like motif and a large, decorative frame.
