

PASSOVER MATZOTH FUND

Help us in the great rescue work which we are conducting now for the century-old institutions in Jerusalem: The great "Torah Center Etz Chaim" which embraces 13 Talmud Torahs and 2 Yeshivoth providing education to the youth of Jerusalem as well as for ambitious students and scholars; a Free Kitchen for poor children and orphans; the famous Bicur Cholim Hospital with its dispensaries and clinics and the only Home for Incurable Invalids in Eretz Israel. These Passover stamps will buy food and medicine for the hungry and the sick. Answer their heart-rending cry for help. Help us in their distribution.
