

During the sixth day G-d led all the animals before Adam that he might give them names, and that he might choose for himself a companion. But, amongst all these animals, he found none fit for him.

Then G-d said "It is not good for the man to be alone. Let us make a help meet for him".

And while Adam slept, G-d created the first woman. Her name was "Eve"

And Adam and Eve were placed in a wonderful garden — the Garden of Eden —.
