

SCULPTURE

In addition to bronze and aluminum tablets Champion Ornamental can manufacture to individual specifications sculpture cast in bronze or aluminum. Sculptures can be oxidized to a variety of shades from light brown to patina and highlighted as desired.

**Specifications** Furnish Bronze (or Aluminum) sculpture(s) approximately \_\_\_\_\_ by \_\_\_\_\_ as shown in drawing. Champion Ornamental shall go through necessary steps to achieve clay model. Photographs of model shall be submitted for approval prior to casting. Casting shall be free from defects and sandblast clean to begin finish. Casting will be hand chased where necessary. Highlighting shall be done by hand to achieve required effects. Entire unit shall be coated with a high grade lacquer to retard oxidation. Unit will be ready for installation and fasteners shown in approved shop drawings shall be supplied by us.
