President,
NEW HOPE CONGREGATION
1625 Crest Hill
Cincinnati, OH 45327

All across the United States Jewish organizations are using bronze tablets to honor their members. Whether a Reform congregation or Community Center, these groups recognize the traditional value and significance of bronze. Champion Ornamental Castings is helping many of them by providing the finest memorials and plaques available.

As you can see in the enclosed brochure, our business is the design and manufacture of cast bronze and aluminum. We work with many of the nation's top architects, and produce only the highest quality to conform to their exacting standards.

Whether you need a single large plaque to honor a member's generosity, or many small Yahrzeit name strips, our experience can help you. You don't need to limit yourself to the customary shapes or designs. Working together, we will arrive at a design that is unique to your organization. We will maintain the pattern so that future orders will match the original.

If this letter interests you, don't hesitate to return the enclosed card. You will be given our prompt attention. If you already have a memorial or honor program, let us quote your next purchase requirement. We are sure that you will be pleased with our price, our quick delivery and the Champion quality.

Sincerely yours,

Bruce Baunach
