

## **A MEMORY TO THE DEFENDERS**

During the month of Iyar, Jerusalem, together with the whole yishuv, suffered its heaviest losses. Among those who fell in the battles on the walls of the Old City of Jerusalem, and during battles in Galilee and the Negev, there were, to our great grief, also eight boys who had volunteered to the Haganah Army, from the orphanage, whose names are given on a further page.

In their memory, it has been resolved to plant trees in the pine-grove of the orphanage.

**MAY THEIR MEMORY BE BLESSED,  
AND MAY THE ALMIGHTY REVENGE  
THEIR BLOOD**
