

# CINCINNATI'S JEWISH CENTER

**Miss Louise Felson**  
executive secretary

The Center's strengths are many: her friends, her members, her great niche in the community of Cincinnati.

The Center's needs, I am happy to say, are on the highroad to fulfillment—thanks to the sympathetic and responsive citizenry we serve and to whom we look for co-operation. The Center's possibilities today will be the Center's realities tomorrow.

And now a word of appreciation to those with whom I have worked—to our own Board and Council and that great body of clubs and members who make up the Center; to the United Jewish Social Agencies; to the Community Council; and to all the other organizations and individuals who have made the Center presidency a pleasure.

President, 1933-'34-'35-'36.
