

## GREETINGS!

On behalf of the City of Cincinnati, I wish to extend greetings to the Tenth Annual Mid-Western Convention of Young Israel. This national orthodox youth movement, which consecrates itself to preserving and perpetuating traditional Judaism, is deserving of the highest commendation for its efforts to create harmony between Americanism and Judaism, in its most sacred aspects.

It is my earnest hope that from the ensuing convention you will find inspiration and an even greater success.

JAMES GARFIELD STEWART, Mayor.
