P. S.—There is on deposit in the savings account of the Pearl Market Bank to be used as a payment on the mortgage loan of \$55,000.00 next January 1, 1931.

Secretary desires to inform the members that Mr. B. Nathan and Mr. Hirsch Manischewi have on numerous occasions made advancements in order that the congregation may meet its financial obligations. All these loans have been paid off and the congregation does not owe anyone any moneys excepting the mortgage of \$55,000.00 due the Pearl Market Bank, and our Shamos is collecting sufficient funds to meet our obligations as they become due.

Yours truly,
ABRAHAM FRIEDMAN.
