

Performances of the Bureau Choral Society will be made available to organizations desiring musical programs.

**THE PRE-SEDER PARTY.** This is an annual community pre-Passover celebration of great popular appeal, richly expressive of the spirit of the Festival of Freedom. A modern Haggadah, written for the occasion by Charles S. Becker, is read with audience participation. There is a great deal of community singing, and an appropriate dramatic presentation completes the delightful program. Passover refreshments are served.

The Pre-Seder Party, initiated in 1934, has by now assumed the character of a true folk festival.

In addition, the Bureau also renders the following services to the community at large:

Information on Jewish religion, history, holiday observance, and other subjects pertaining to Jewish knowledge and living; consultation and purchasing service for Jewish books, records, art and ceremonial objects; a column on books, records and films, in the Anglo-Jewish press; school placement service; and bulletins of informative nature.

**PLEASE NOTE:**

THE BUREAU RENDERS SERVICE TO ORGANIZATIONS ONLY AFTER CAREFUL STUDY OF THE PARTICULAR ORGANIZATION AND ITS NEEDS, KEEPING ALWAYS IN MIND THE IMPORTANCE OF MAINTAINING THE INTEGRITY, IDENTITY AND AUTONOMY OF THE GROUP, WHATEVER ITS AFFILIATION IN THE JEWISH COMMUNITY.
