

## WHAT'S NEW WITH SUE

**Toby Fink**

"Although most of my friends decided to attend colleges in and around Buffalo, I decided to be different. So I chose to come to U.C. I never will regret this choice, for I love Cincinnati as well as the many friends I have found."

Everyone is quite happy that Toby Fink chose U. C., for her pleasant personality has spread throughout the campus.

Toby hails from Buffalo, where her father is Rabbi of Temple Beth Zion. Toby is enrolled in the HUC-UC combined program

and is in her sophomore year.

Her Jewish background has invested in her a great interest in Judaism, and she wishes to broaden this background through courses in Hebrew and Jewish Religious Thought.

In her freshman year Toby was selected the dorm candidate for the Sophos Queen. Last summer she attended the National Hillel Summer Institute and this year she is Religious chairman of Hillel. She also is on the steering committee of a newly formed sorority at U.C. Toby also finds time to teach at Wise Center High School every Sunday.

One of Toby's main interests and hobbies is dancing. She has taken lessons for 10 years and has been teaching for the past several years.

One of Toby's chief aims before graduation is to learn the art of bridge playing. As Toby says, "How can you get a college diploma without knowing how to play bridge?"

UC is certainly fortunate to have such a splendid personality as Toby. She has a friendly hello as well as a charming smile for everyone.
