EVERYONE INVITED

CHANUKAH PARTY PLANNED FOR

DECEMBER

In place of a regular meeting in December, the social committee has decided to plan a Chanukah party. The festivities will take place on Wednesday, December 15 at the Student Union. There will be no dates at this affair and for this reason members will have the opportunity to acquaint themselves with everybody during the dancing and games.

ANOTHER HILLEL SERVICE
IN THE OFFING

Hillel will have a special religious service on December 10. A prominent U C professor will speak, the choir will sing, and refreshments will be served.

OUR NAME . . .

THE NAME HILLELITON is the brainstorm of two members of the staff.

Iton is the English transliteration of the Hebrew word meaning bulletin or something like that.

Ed Pastor and Max Braverman thought of the combination.

Both can be found in the lounge at noon.

THE NEXT HILLEL MEETING ON NOVEMBER 17, WILL FEATURE AS SPEAKER MR. ABE JACOBS OF THE JEWISH VOCATIONAL SERVICE. A SOCIAL WILL FOLLOW.

HILLEL IS GROWING

At the last Hillel dance held on November 15, forty-two students enrolled in Hillel.

More activities are being planned every week in proportion to the time that passes.

Last month, the Hillelton was two pages in length. This month it is five pages in length.

We have combined our calendar so as to include every cultural, religious and social activity that would interest Jewish students, occurring on campus or in Cincinnati during the next month. We hope to have a book review in every edition.

We have just blown the dust off the possibilities.

The Hillelton needs talent and ideas. All the committees need talent and ideas.

It's your talent, your ideas that they need.
