

## BOOKLET COMMITTEE

Outstanding in the promotional efforts will be a well prepared, handy, and informative booklet. An appropriate cover design should help to make it attractive for REW publicity.

The committee is responsible for its distribution and it is hoped that every student will have a copy of the booklet. The information shall include:

1. The theme and purpose of REW.
2. A schedule of events.
3. Biography and Picture of Guests.
4. Sponsorship of REW.
5. Faculty and Student Chairman (no pictures.)

The booklet should be printed and available approximately two weeks in advance of REW.
