Succoth, a Jewish holiday commemorating the harvesting of the crops, began Wednesday, Sept. 23, and lasted through Friday, Oct. 1.

Hillel, official Jewish group on campus, held a celebration Wednesday. In an enclosure, which had its beginnings in Biblical times, the organization held group dances and song fests. Fruit, vegetables, and other products of the fall harvest covered the vine-like framework.

Under the direction of Armond Cohen, president of Hillel, a service was held earlier in the evening at the Hillel house, 320 Straight St.

Sigma Alpha Mu fraternity will sponsor this Friday evening's Sabbath services at the Hillel House. Dr. Milton Rosenbaum

will deliver an address on his recent trip to Israel. Mr. Dan Ransohoff, who accompanied Dr. Rosenbaum, will present colored slides.
