

WHAT IS HILLEL?

Hillel is a UC campus activity and organization for all Jewish men and women. It is completely student-run by an executive board composed of officers and committee chairmen.

FOR WHOM IS HILLEL?

Hillel is for every UC student, from independent freshman to fraternity senior. Hillel's varied program meets the needs of all interested members.

WHAT IS HILLEL'S BACKGROUND?

Hillel is one of 204 campus units in the United States, Canada and Europe. The UC Hillel house is relatively new, having been acquired in 1952, and having the mortgage paid recently. The new housemother, Mrs. Marder came to Hillel in September, 1955.

WHY SHOULD ALL JEWISH STUDENTS PARTICIPATE IN HILLEL?

Students should participate to enjoy the many facilities Hillel offers. A more important reason is for young college men and women to meet religiously, culturally and socially in building and developing rounded adult Jews.

WHAT IS THE AIM OF HILLEL?

The aim of Hillel is to build leaders — developing citizenship, democratic principles and knowledge of Judaism — for modern society.
