Mrs. Isadore Litwack, Chairman  
Testimonial to Rabbi Fishel J. Goldfeder  
c/o Adath Israel Congregation  
3201 E. Galbraith Road

For us in the newly-created American Zionist community in general, it is good to know that central responsibility for the education and development of the Cincinnati Zionist Federation is entrusted in the hands of skilled and dedicated hands of Rabbi Goldfeder. We are grateful to him personally as a native of Cincinnati, and it is gratifying to renew an association with the Rabbi whom we remember well as a leader of personal community even in the initial years of his service.

May we all continue to have the benefit for many years to come of Rabbi Goldfeder's dedication and leadership on behalf of our beloved Jewish people.

May we all continue to have the benefit of Rabbi Goldfeder's dedication and leadership on Israel and the Jewish people.

Sincerely,

Cincinnati,  
Dear Mrs. Littwack:  
Thank you for your invitation of October 20, 1970,  
inviting Mrs. Weston and me to be guests of your  
congregation on November 22nd, and to extend our  
greetings on behalf of the Jewish Federation of  
Cincinnati to Rabbi Goldfer and to the Adath  
Israel Congregation.  
It would be appropriate for the congregati-  
on to present 25 years of service to the Adath  
Israel Congregation.

I think it is most appropriate to honor Rabbi Goldfarb for 25 years to the synagogue and the community. I will be happy to be present and to extend greetings on behalf of the Jewish Federation. I regret, however, that Mrs. Weston will not be able to be present.

I look forward to seeing you and other members of the congregation on November 22nd.

Sincerely yours,  
K.W. [Signature]

Sincerely yours,  
Harris K. Weston

Dear Rabbi Goldstein,  
The Board and Staff of the Jewish Family Service extend their  
warm congratulations on the 25th anniversary of our

You have been a strong force for Judaism throughout your many years in our community. Your work on our agency's Child Abuse Committee and on our Board has greatly strengthened our efforts to bring Jewish families toward a healthy

Your steadfast strength has been felt for twenty-five years in our community and we wish you many more years of health and productivity.
