Dear Mrs. Litwack:

I am delighted to learn about the testimonial being planned by Adath Israel in honor of its beloved spiritual leader, Rabbi Fishel J. Goldfeder, On the occasion of the 25th anniversary of his distinguished service to the congregation, and I want to associate myself with all the members of Adath Israel in conveying my affectionate greetings and warmest good wishes to Rabbi Goldfeder.

I have followed Rabbi Goldfeder's career in the Rabbinate ever since the day he was ordained at the Seminary, and I have always admired his rare gifts of mind and character and his unsurpassed devotion to the cause of Jewish learning and the synagogue.

Over the years, Rabbi Goldfeder's influence has reached out far beyond the limits of his own synagogue and community, and we in the United Synagogue have been especially appreciative of his association with us in many of our endeavors.

My parayers are with all the members of Adath Israel for God's continued blessings upon Rabbi Goldfeder. May he be granted many more years of good health and happiness together with his beloved family, and may the Jewish community continue to be blessed with his wise guidance and warm friendship.

Sincerely,

Bernard Segal
