## *President's Message*

Dear Friends,

It is a pleasure to welcome you to our annual dinner at the conclusion of this, our 30th year. We are extremely proud that the school is achieving its goal of providing the finest Secular and Hebrew Studies program available to the Jewish children of our community.

Our school has a reputation as a place where knowledge of Israel and commitment to support the Zionist goals of a secure and safe homeland for Jews the world over are taught. In keeping with this, what could be more fitting than having our annual dinner in conjunction with Israel Bonds?

How fitting that in this year in which we celebrate the achievement of our scholastic programs and our ties with Israel, we honor Dr. and Mrs. Nathan Silver. While following in the footsteps of their illustrious father and our beloved founder, Rabbi Eliezer Silver, of blessed memory, Lil and Nate have been in the forefront of every major Jewish cause.

Cincinnati Hebrew Day School, and I personally, feel privileged to join with State of Israel Bonds and all of you here tonight in paying tribute to two such worthy people.

Sincerely,

Elinor Ziv  
President,  
Cincinnati Hebrew Day School

## *Principal's Message*

With the advent of modern-day Israel, we have learned anew about the sources of our Jewish identity and character. We have learned that the glorious teachings of our holy Torah, the traditions of our people, and their ties to The Almighty are the forces which provide the moral fiber of our collective being. In the Cincinnati Hebrew Day School, we share with our brethren in Israel the love of Torah and the love of the Children of Israel. Here general studies and knowledge of Torah are taught so that each of our students may grow up to be a better person, a better American, and a better Jew. Our record of achievement is superior even when compared to the best schools in this country.

From their inception, the State of Israel and the Jewish Day School Movement have striven towards similar lofty goals. It, therefore, gives me great pleasure to salute the State of Israel and the Cincinnati Hebrew Day School for their achievements of the past and to pray for their continued strength in the future.

It is most fitting that our school and State of Israel Bonds join in honoring Dr. and Mrs. Nathan Silver, who have stood at the forefront of Jewish causes in Cincinnati, in Israel, and wherever there has been a need. Both Nate and Lil proudly carry on the traditions of Rabbi Eliezer Silver, of blessed memory, who served as a founder of the Cincinnati Hebrew Day School and as the First Citizen of World Jewry during his epic lifetime.

May The Almighty continue to bless and strengthen Nate and Lil and their children throughout the years to come.

Sincerely yours,

Rabbi Milton Deutsch  
Educational Director
