

COVEDALE CEMETERY ASSOCIATION.

Gentlemen:

Enclosed please find the Audited report of the COVEDALE CEMETERY ASSOCIATION, which was Audited and rechecked by Harry M. Levy, Morris Sudman and Nathan Kaufman, on April 10, 1944.

We wish to call your special attention to the fact that before The Yad Charutzim, and Washington Avenue, joined the Association there was a balance of \$95.00 in the Treasury, also, we receive \$35.00 for the use of the road and Chapel from the Walnut Hills, and at present we have \$70.00 that we use for the upkeep of the road, so you will note that there is \$165.00 for the road when we need same.

Improvements that we intend to make this Summer,

Liability Insurance for all the Cemeteries of the Association for three years, in case of any accidents, cost of which is \$53.15.

We intend to have water for all the Cemeteries that has not City Water at present, Cost about \$250.00.

Black top the Driveway of Washington Avenue Cemetery which needs same, Cost about \$100.00.

We are ordering Special Blue Grass Seed for all the Cemeteries, to beautify all the Cemeteries, Cost about \$25.00.

Make needed improvements and beautify all the Cemeteries as we go along.

Yours respectfully,

THE COVEDALE CEMETERY ASSOCIATION

Per

Harry M. Levy
President.
