

NORTH AVONDALE SYNAGOGUE

**Had Charutzim - Tiferes Israel Congregation**

March 5, 1986

Dear Fellow Members:

SYNAGOGUE CONSTRUCTION:

Impressive progress has been made in our program since my last note to you. The third floor has been restored as a beautiful apartment. Rabbi and Mrs. Schnall and their children are happily living in their new quarters.

Our new mechitza, designed by Rita Zimmerman and Adrienne Varady and constructed by an excellent craftsman under Rabbi Schnall's supervision, is nearing completion. For the next few weeks, we will have a temporary arrangement until the wall is stained and a suitable curtain installed.

NEW CLASS with RABBI SCHNALL:

"Do you feel unsure about how to pray? Are you frustrated when trying to understand some of the prayers in the siddur? Do you wonder why there are times to stand, to sit and to bow down? Have you questioned why so many prayers came to be included?

To answer these questions and others, North Avondale Synagogue is sponsoring a four week series of discussions, 'Talking to G-D; Prayer, How and Why'. The first session will take place Sunday evening, March 16 at 8:00 p.m. at the Synagogue. Refreshments will be served. The classes will cover not only the basics of prayer, but also concepts and ideas. The series is free and open to the community."

THE MINYAN:

You all understand the importance of maintaining our minyan. Please try to attend the evening services, as often there is not a minyan.

A minyan and events schedule is attached.

Sincerely,

*Paul*
