

### PESACH FOOD SALE A BIG SUCCESS!!!

A sale of Passover foods, with the profits benefitting our Synagogue, was held again this year.

As we go to press the final figures are not in, but our thanks are expressed to the capable and hard-working committee of Debbie Zimmerman and Shirley Nathan, assisted by Rochel Schnall and Betty Harris.

And thanks to all who placed orders for the sale.

### WISHING SPEEDY RECOVERY

### CONGRATULATIONS AND MAZAL TOV

To: Chana Schnall who recently competed in the National Bible Contest, placing second in her school, Cincinnati Hebrew Day School.

To: David Perlstein who will be entering Medical School at the University of Cincinnati this coming year.

### NOMINATIONS

The Nominating Committee appointed by President Larry Kaplan has met and is preparing the nominations for Board Members and Officers of our Synagogue. Anyone wishing to nominate themselves or others should make this known to Bud Harris, Paul Nathan or Rita Zimmerman no later than April 15. At that time the list will be mailed to members and a vote taken at a general membership meeting called for Sunday April 29, 1990 at 9:00 AM.

### LEHITRAOT SHALOM

With a certain sadness we wish Mazal Tov to Larry and Judy Kaplan as they prepare to move to New York City where Larry will be Director of Clinical Chemistry at Bellevue Hospital.

To Larry, Judy, Stephanie and Joshua, best wishes for health and success, and continued growth in Torah and Mitzvos. We will look forward to your visits.
